

## **Advisers**

## ADVISERS

**Chrissy Lovey.** BU graduate and past summer manager Chrissy Lovey imagines herself a modern-day hippie .Accented with a chunky statement necklace of natural materials from local jeweler Tracey Designs, Chrissy enjoys the attention her unique clothes and accessories receive among her friends and is fashion ready to join them for tapas or her new discovery, Ethiopian food. While Chrissy is our computer whiz kid at the circus, she has an entirely different tactile experience at home with her own 'Apple' - *her exotic snake!* *Chrissy has the distinction of beginning the CIRCE project and managing developing the PIXIEDUST.me, development that currently powers the Circus.* She is presently in NYC/New Jersey.

**Maralyce Feree.** Currently living the wild child cowgirl life in Bisbee Arizona, (just kidding) Maralyce has over 30 years of experience in the womens design industry, both as a designer manufacturer and as a store owner. In Portland Maine, her firm the Maralyce Feree Company, pioneered the utilization of fleece in contemporary womens outerwear. Her designs oftentimes referred to as “stunning”, became the must have coat for generations of professional women who frequently bought multiple styles and colors over time.

Maralyce has been an adviser to the Circus for decades, first as a fellow designer and colleague with Kathleen, and later she was

instrumental in the formation of the DESIGNERS CIRCUS and its entree into Portland.

**Liam Norris.** Tech adviser Liam is a physicist mathematician from the University of Redlands with additional post grad work in Budapest. *Liam designed and developed the PIXIEDUST.me platform along with Chrissy Lovey.* Afterwards, as the first employee, he designed, developed and coded the SYNACK security platform which Synacks post NSA researchers use to hunt security flaws, and vulnerabilities. Synack raised over \$50 million and went from Liam and the two founders to over 100 people and a *leadership position* in hacker bounty programs with name clients and government agencies. Liam is CIRCEs blockchain tech adviser and evangelist.

**Peggy Finegan.** From San Francisco, Peggy is well respected in the industry, serving and assisting designers and manufacturers across the country. Her focus has been the west coast. She has been a long term counsel.

**Yael at Roni Rabl.** From New York, One of the top distributors in the country Yael brings unparalleled experience, locally, nationally and internationally, and connections to the CIRCE network.

**Will Norris.** From Industrial Dreams, a 40 year old technology incubator and developer, Will has been core contributor to CIRCE technology platform development and instrumental in strategy and technology.

**Richard Polish.** Richard is the rich personal glue of the New England design and boutique community. Thoroughly entertaining and sensitive and hip to whats going on thru out the industry Richard has been an adviser and part of the network for over a decade.
